6<sup>th</sup> October 2021

Dear Parent/Guardian,

## **PSHE Careers Trip Thursday 21<sup>st</sup> October 2021- Crocodiles of the World**

We are excited to be proposing a school day trip to Crocodiles of the World to support our curriculum plans for PSHE students and enhance learning experiences within the school around careers.

Here are the key details about the planned trip:

- 1 day visit
- Depart The Harefield Academy via coach at 9:00am
- Arrive at the Academy by 3pm
- Bring a pack lunch and drink
- Location: Burford Rd, Brize Norton, Carterton OX18 3NX
- Travel via coach
- Students must wear their full uniform and school shoes

### **Trip Payment**

To cover the basic cost of trip and the transport, we require a voluntary contribution of £16.00. In order to book your child's place on the trip we will require the full amount of £16.00 (non-refundable) to be made via Parent Pay by **Monday 18<sup>th</sup> October 2021**.

I must emphasise that the payment deadline must be met to ensure your child receives a place. If insufficient contributions are made unfortunately the trip will be unable to proceed. If at any point you have an issue meeting the above deadline you must either contact the Finance Department or myself to discuss a way forward as soon as possible at

[Sonia.ral@theharefieldacademy.org](mailto:Sonia.ral@theharefieldacademy.org)

### **Behaviour**

As with any trip The Academy expects exemplary behaviour throughout the duration of the trip. If at any time we feel that a student's behaviour may jeopardise the health and safety of peers during trip then they will be removed without refund; parents will have to arrange alternative travel provision.

### **About Crocodiles of the World**

Come face-to-face with some of the world's most feared predators in a fun, safe and stimulating environment. With under-water viewing, talks, animal encounters and feeds throughout the day at the UK's only Crocodile Zoo. Students will also attend a workshop involving a range of activities about the important skills and pathways leading to different careers that involve working with animals.

Best wishes
